**Bits & Pieces**
- Disposals/Sinks: Please do not discard large food items or items such as bones, meat, coffee grounds, egg shells, corn cobs, or potato peels in the kitchen garbage disposal.
- Proper Ventilation/Maintenance: Living near the coast lends itself to a moist climate. As such, it can be easy for mildew to build up without proper ventilation. Be sure to open your windows and allow a cross breeze whenever possible. Also, please leave fan and vents on well after cooking or bathing to assist in absorbing the additional moisture.
- Quiet Hours: Sunday - Thursday, 10pm - 8am, and Friday/Saturday, 11pm - 8am.

**Building Services**
- **Electricity:** Your meter is read and your bill posted to your account directly by ISTA. There is no need to transfer billing responsibility or contact the electric company. Your first bill may take up to six weeks to appear on your account.
- **Mail:** Mailboxes are located at each building in the community. Packages are not handled by the main office and will be delivered to your door by all major carriers and USPS.
- **Trash and Recycling:** Please dispose of trash and recycling appropriately. Do not leave garbage items by your door or on the patios as this leads to pest and rodent issues. Items may not be removed from the trash or recycling under any circumstance.
- **Internet/Cable:** Internet is provided by the University. There will be an Ethernet port available and directions provided by ResNet. If you would like your connection to be wireless, you have to provide your own router. Cable subscriptions are the responsibility of the resident. Please contact Time Warner at (800)964.2783.

**Amenities**
- **Laundry Room:** The laundry room is centrally located and features hybrid washers and dryers that can take coin or card payments.
- **Community Rooms:** The community room is located just off of the laundry room, and is accessible with your apartment key. This room can be reserved for personal events. Contact the office for more info.
- **Community Garden:** This community-driven project features a number of resident-tended garden plots. They have also had panels hosted by the San Diego Master Gardeners association. For more information contact the office at ljds@ucsd.edu.
- **Community BBQ Area:** There is one assigned community barbecue area located in front of the laundry/community room. This is where all gas-operated barbecues must be stored and used. Barbecues and/or grills are not permitted in apartments or on balconies or patios. Charcoal grills are not permitted anywhere on the property.
- **Bike Racks:** Bicycle racks are located near each building. Ensure you always lock your bike and to maximize your protection, register it with the the campus bike shop (http://bikeshop.ucsd.edu) or call 858.534.4279 for more information.
