MEET THE VILLAGE!

RA Christian Marshall
Building 4 • East Side

Christian Marshall is a second year transfer at UCSD in Muir College. He is currently a double major in Sociology and Mathematics, and when not constantly worrying over his degree audit has been known to co-supervise Building 4 on the East side of the Village with RA Trisha Srivastava. Christian is a high-energy staff member that is always up for a chat or activity, but not for sitting still. Constantly on the move, if you spot him, he’s probably on a bike or in a wetsuit, as surfing and climbing are his favorite pastimes. Don’t hesitate to say hi because he’s happy to meet new people or catch up with a familiar face!
