BITS & PIECES

Disposals/Sinks: Please do not discard large food items or items such as bones, meat, coffee grounds, egg shells, corn cobs, or potato peels in the kitchen garbage disposal.

Proper Ventilation/Maintenance: Living near the coast lends itself to a moist climate. As such, it can be easy for mildew to build up without proper ventilation. Be sure to open your windows and allow a cross breeze whenever possible. Also, please leave fans and vents on well after cooking or bathing to assist in absorbing the additional moisture.

Smoke Detectors: Please remember that it is illegal to tamper with smoke detectors. Contact CSC for assistance if there is an issue with your alarms or detectors.

Quiet Hours:
Sunday – Thursday, 10pm–8am
Friday and Saturday, 11pm–8am
