Welcome Home!

We are so excited to have you as a resident in one of University of California San Diego’s Housing • Dining • Hospitality communities. This handbook provides guidance for living at Coast, La Jolla del Sol (LJDS), Mesa Residential (Mesa), Mesa Nueva (MN), One Miramar Street (OMS), Nuevo West (NW), Nuevo East (NE) and Rita Atkinson Residences (Rita).

Our communities are not just a place to live but also a place for your life to happen. Our goal is to foster an inclusive community and help residents find a balance between various aspects of life by creating academic, cultural, social, and recreational opportunities that enrich your life.

Principles of Community

“You never really understand a person until you consider things from his point of view...”
—Harper Lee, To Kill a Mockingbird

Residents of Housing must rely on each other to form a cohesive community. We support UC San Diego in all efforts to create and maintain a community climate of fairness, cooperation, and professionalism:

- Respect all people you encounter and strive to be courteous.
- Try to see things from someone else’s point of view.
- Reach towards a common point of understanding.
- Be open and transparent in conversation; listen to each other’s intentions.
- Treat everyone you meet the way you wish to be treated.

This handbook contains important information about your Housing community, its services, facilities, policies, and procedures. This information is incorporated into your Rental Agreement, and we reserve the right to rescind and/or amend any rules and regulations as deemed necessary. To contact your Housing Office, simply follow the prompts after dialing 858.534.4723 (GRAD).

Housing Office staff can assist you with a variety of issues, including billing questions, lock outs, guest keys, parking permits, roommate issues, noise concerns, notices of intent to vacate, and any policy or procedural questions that you may have. If our offices are closed, you can call UC San Diego Police at 858.534.4357 (HELP) for assistance with lockouts.
Eligibility
To reside in our communities and maintain eligibility, you must be:
• enrolled full-time in at least twelve units each quarter
• on an approved leave of absence, or
• have an Authorization for Accommodation (AFA) from the Office of Students with Disabilities (OSD)

LJDS faculty, staff, fellows and postdoc residents must provide proof on an annual basis that they are fully employed by the University.

Residents who do not meet eligibility requirements must submit a 30-Day Notice of Intent to Vacate and vacate the apartment within 30 days from the date they no longer meet eligibility requirements.

For additional information on our 2-year policy and eligibility requirements, please see your Rental Agreement and our website at hdh.ucsd.edu.

You may want to consider buying renters insurance. The University and its employees and agents assume no responsibility for the loss, theft, damage or destruction of the personal property kept in your room. We strongly recommend personal property insurance. For detailed information regarding renters insurance specifically designed for UC San Diego renters, please visit https://gradguard.com/school-search.

Residents residing at LJDS are required to furnish annual proof of renters insurance, identifying the leased premise. This documentation is required prior to check-in.

Amenities & Services
We offer many amenities and services that make our communities convenient to residents on the go.

Bicycle Racks
Bicycle racks are located throughout all of our communities. A u-lock is recommended to secure your bicycle frame. A bicycle locked to a stairwell, patio handrail, building, post, tree, etc., is subject to citation. Bicycles may be stored on patios and balconies. Residents should register their bicycles online via UCSD Police.
**Bike Lockers**
If you are looking for a secure location that protects your bicycle from all kinds of weather, consider renting a bike locker through HDH Triton Cash. The bike lockers are available to on-campus student residents and the cost is $20/month, charged to your Triton Cash account. Visit our [Getting Around](#) page for more info.

A **BikeShare** program is available on campus. Visit [UCSD Transportation](#) for more information about the program.

**Bulletin Boards & Postings**
Bulletin boards are available at each community and are generally located at mailboxes, fitness rooms and laundry rooms for residents to post approved notices, flyers and advertisements. The Housing Office must pre-approve all postings and the date of the initial posting must be included. Please see the posting policies listed in our Residential Rules section.

**Cable & Internet**
*Coast, Mesa, OMS, and Rita:* Spectrum provides Internet and Cable services. Residents need to contact Spectrum at [1-800.964.2783](tel:1-800.964.2783) to establish service. The cost of basic service is included in your rent.

*LJDS:* Time Warner and AT&T currently provide service. You can contact either company directly to start your service. **Please note:** If your appointment is before or after Housing Office hours, you will need to check-out a key to provide access to the cable room.

*Mesa Nueva, Nuevo East & Nuevo West:* Each apartment is equipped with Spectrum Wi-Fi, Spectrum cable and one working Ethernet port. The cost of service is included in your monthly rent. If you plan to use cable for television, you will need to bring a coaxial cable to connect. Upon arrival, you will be given a username and password in order to access Wi-Fi. Residents are **not** permitted to set up or supply their own router.

**Carpet Cleaning**
Complimentary carpet cleaning is available to residents once every twelve months following your initial twelve-month period. Contact the Housing Office for more information.

**Community Assistants**
In order to facilitate community building at the graduate level, we support the work of Community Assistants (CAs). These are UC San Diego student residents who help plan events and activities to create a sense of community centered on residents’ needs and suggestions. For an accurate schedule of events, contact the Housing Office. You can find the events being planned by our CAs at our [Facebook page](#), at flyers and electronic boards around our communities or by stopping by the Housing Office.

**Community Gardens**
Community gardens are available to residents of Coast, Mesa Nueva and Mesa, Nuevo East and Nuevo West. Flowers, vegetables, and herbs may be grown in the designated garden areas. Contact the Housing Office for more information.

**Community Rooms**
Residents can reserve a community room online at the [HDH Website](#), via the “Current Resident“ tab.
Fireplaces
Some units at LJDS are equipped with fireplaces. If you have any questions regarding the operation of your fireplace, please contact the Housing Office for assistance. Before starting a fire, open the flue by sliding it to the right as far as it will go. (The flue is located in the fireplace on the top). Please always use the fireplace grate.

Garbage Disposals
Garbage disposals are designed to handle only soft foods. Do not put fibrous materials, such as celery or other stringy vegetables, potato peels, watermelon rinds, seeds, noodles, rice, spaghetti, grease and hard-leafed fruits or hard materials such as bones, glass, or metal objects in the garbage disposal. Always use cold water when running the disposal. Keep the water running while the disposal is on and for a short period after it has been switched to the “off” position.

Disposals are equipped with a red reset button. If the disposal stops running, try to reset it by pushing the button gently. If this does not start the disposal, please contact customer service center through HDH Fix It to enter a work order: **HDH Fix It**

Improper use of the garbage disposal may cause the sink to back up in your own or your neighbor’s apartment. The university is not responsible for any damage resulting from misuse of the garbage disposal.

Gates
LJDS is a gated community. Gate entries are located at Regents Road and Lebon Drive. Do not attempt to drive through the gate when it is closing; allow the system first to recognize your vehicle and open completely. The University makes absolutely no claims or guarantees that this system will in any way increase security or prevent theft, assault, vandalism, or damage to you or your personal property or that of your guests/visitors. Please report any malfunctions of the gate to the Housing Office.

Residents’ names are programmed into the gate system. Visitors may locate your name in the directory and call you for entry. If you wish to provide access to the property, press “g” on any telephone to open the gate remotely.

Pedestrian gates are keyed for resident access with the use of your apartment key. Pedestrians are not permitted to use the vehicle gate to enter or exit the community gate as this is hazardous and could cause injury.

Heating: Apartments are equipped with thermostats to control the level of heat emitted into the space. Property Operations and Planning performs regular inspections of heaters. Do not place or store anything in front of the heater or use it to dry clothes.

Laundry Facilities
Community washer and dryers are located in Mesa Nueva, Coast, Mesa, OMS, Nuevo East, Nuevo West and Rita. You can view the status of your laundry and laundry rooms at [www.mywavevision.com](http://www.mywavevision.com). Any problems with these machines should be reported to WASH Multifamily Laundry Systems at 858.534.2600 or request service online at [www.fixlaundry.com](http://www.fixlaundry.com). Please note the three-digit number on the machine before calling for service.

At LJDS and in Mesa Nueva one, two & three bedroom unit’s washers and dryers are supplied in the apartment. For Housing provided appliances, submit a work order through **HDH Fix It** for non-emergency requests or call the Customer Service Center at 858.534.2600 for emergencies.
Maintenance Requests

Need something fixed? We’re available 24 hours a day, 7 days a week. Use HDH Fix It for non-emergency requests, or call the Customer Service Center at 858.534.2600 for emergencies. Requests considered emergencies are fire alarms, smell of smoke, smell of natural gas, flooding, any leaks, malfunctioning or broken locks. A request called-in after regular business hours not considered an emergency will be responded to during regular business hours.

County health regulations state that no animals and no glass be allowed in or around the pool or spa areas. Service animals are permitted in the pool area but are not allowed in the pool or spas. No alcohol, unless purchased from Rough Draft at Mesa Nueva may be consumed at the pool area.

**Recreational Facilities**
Fitness rooms are available at LJDS, Mesa Nueva (Cresta), Nuevo East, Nuevo West, Mesa (9156) & Rita (4th floor). Housing residents are welcome to use any fitness facilities in any of the communities listed in this handbook. Please contact the Housing Office for access to these areas. Residents will receive access to the fitness rooms after signing the online Fitness Waiver.

When using Fitness equipment during peak hours, or while others are waiting, please limit your time on the equipment to thirty (30) minutes. Proper workout attire is required. Follow posted safety and hours regulations in all community areas. Please keep noise to a minimum, especially in areas with outdoor equipment.

UCSD Recreation offers classes, sport facilities and personal trainers throughout campus. Check [recreation.ucsd.edu](http://recreation.ucsd.edu) for more detailed information and locations.
Recycle and Trash Disposal
HDH and UC San Diego practice responsible recycling and sustainability habits. Please do not leave trash outside your apartment door or on your patio/balcony—all trash and recycling should be placed in the designated dumpsters. Furniture, large objects, or Christmas trees placed next to dumpsters will not be picked up by the refuse collector. Disposal of hazardous wastes to the sewer, storm drain, ground or trash is illegal.

For information on proper disposal of your waste go sustainability.ucsd.edu. Used alkaline batteries can be dropped off at the Housing Office for recycling.

Relocation
Residents who wish to relocate to another Housing community, and have not resided for two years in Housing or have a month-to-month agreement, may complete an application online. Once you apply, your name will be added to the Housing waitlist.

You may complete the application at any time during the term of your Rental Agreement. If you have a current application online, that application will be used to generate your relocation offer and Rental Agreement. Single graduate and professional student applicants have the option to find their own roommate by utilizing the Roommate Portal or a roommate will be assigned to you. If you intend to choose a new roommate you will need to wait for an entire apartment to become available.
Shuttle Services
UC San Diego’s extensive transportation system is available for students, faculty, and staff. For current schedules, please visit transportation.ucsd.edu The UCSD mobile app provides real-time updates with the bus schedule.

Storage
Storage of personal belongings or items in parking spaces, balconies, building stairwells, landings, hallways, etc. is prohibited. Such items will be removed by the University at the owner’s expense. You may not store any flammable items, including but not limited to, gasoline, propane, paint, paint thinner, and kerosene. Barbeques cannot be stored in storage areas.

Residents at Coast and Central Mesa have storage closets available to them outside of their units. Items stored there must be removed at the end of your Rental Agreement. Contact the Housing Office with any questions.

Subleasing
To allow you to maintain your Housing status while you are away from UC San Diego to work, study, perform academic field research, take a vacation, or take an approved leave of absence, you may sublease your apartment. Subleasing is conducted through the “Sublease” section of the HDH website. Sublease agreements may be for a maximum of three quarters.

The person you select to sublease your room or apartment must meet all of our Housing eligibility requirements as outlined in the eligibility requirements in this Handbook, Policy Document and our website. Residents cannot assign or transfer their Rental Agreement or sublet the premises, or use it in any manner other than a full-time personal residence including activities such as conducting business or commercial enterprises, without prior permission from the Housing Office, including but not limited to: advertising spaces in websites such as Airbnb.com, VRBO.com, etc.

Surf Showers
Surf showers, available to any resident, are located at Coast Apartments at buildings 9321, 9383, and at Mesa Nueva on the southeast corner of the Ola Parking Garage. Please do not rinse surfing gear, diving gear, wetsuits, etc., in the apartment shower or sink. The salt and sand will clog the drain.

Tennis Courts
There are two tennis courts at LJDS.

Vacuums
Residents may check out a vacuum at any Housing Office.
Safety & Security
Safety is our number one priority within HDH Communities. Below are some of the resources for our communities.

Campus Safety Escorts
The Community Service Officer (CSO) Program offers a free campus safety escort. Escorts will go to any University property. Call 858.534.WALK (9255) to request an escort. CSOs offer an escort service from sunset through 1am every day of the year. After 1am, this service may be handled by other police department personnel.

CSOs also provide staff Triton Rides, a free nighttime shuttle service available from 8pm to 7am.

Inspections
There are occasions throughout the year when University Officials will need to enter your apartment to complete inspections. You will receive advance notice of these inspections via email and/or written notice of entry posted on your apartment door a minimum of 24 hours in advance. These inspections include annual safety inspections completed by the UC San Diego Office of Environment, Health and Safety, and inspections conducted by Housing staff, including alarm, furnace, and patio/balcony inspections.

Lock-Outs
Locked out? Stop by the Housing Office during business hours for assistance. If you are locked out when the office is closed contact UC San Diego Police at 858.534.HELP (4357). UC San Diego Police may charge a $15 fee.

Lost and Found
Contact your Housing Office to inquire about items lost or found. Contact UC San Diego Police at 858.534.HELP (4357) to report lost or stolen items.

Missing Person Notification
Residents have the option to identify individuals to be contacted by the University in the event the student is reported missing. The confidential contact information will be accessible only to authorized campus officials, and may not be disclosed except to law enforcement personnel in furtherance of a missing person investigation. If you would like to designate a confidential contact visit the Housing Office.

Police and Security
The UC San Diego Police Department (UCSDPD) can be reached at 858.534.4357 (HELP). For emergencies, dial 911. UCSDPD provide a variety of bulletins, logs and report that you can review at police.ucsd.edu.

If you observe people who are acting suspiciously, contact the UC San Diego Police at 858.534.4357 (HELP) and report the details. Refer to UCSD Campus Security for additional resources.

The UC San Diego Police sponsor a program of etching items of value, including bikes, with the resident’s license number to discourage theft and to make recovering stolen items easier. More information about this program may be obtained by calling the UC San Diego Police at 858.534.HELP (4357).
**Stoves**
Do not use foil to line burners, oven, or grill. The reflection from the foil will damage the burner element. Do not place foil or paper on the walls above the stove to catch grease, as this is a serious fire hazard.

**Toilets**
Tampons, “flushable wipes”, and sanitary napkins will clog the toilets, so please do not flush them. If you do not own a plunger, you may want to add it to your household accessories.

**Vacation Check**
Residents who plan to take an extended vacation can arrange for a vacation check to be made of their apartment. A UCPD Resident Security Officer will routinely check the apartment exterior for any signs of burglary, tampering, etc. You can arrange for a vacation check on-line.

**Ventilation**
Living near the coast lends itself to a moist climate. As such, it can be easy for mildew to build up without proper ventilation. Be sure to open your windows and allow a cross breeze whenever possible. Also, please leave fans and vents on well after cooking or bathing to assist in absorbing the additional moisture.

**Emergency Planning**
For information regarding any type of campus emergency visit UC San Diego’s emergency planning website. UC San Diego's Emergency Status Phone Number 888.308.8273 (888.308.UCSD). In the event of a major emergency affecting the campus, call the toll-free number above for a recorded message, or check the Emergency Status page (status.ucsd.edu) for information on campus closures, interruption of classes and work schedules, etc.

Sign up for emergency text and voice notification at Triton Alert.

View the UCSD Emergency guide
Alarms and Assembly Areas: Please make note of the locations of the fire extinguishers and pull stations in your building. If the alarm goes off in your building, leave your apartment immediately and lock the door behind you. Report immediately to your assembly area. These assembly areas are listed below. Please do not return to your apartment until it is declared “safe” by the fire department or UC San Diego Police.

Annual Fire Alarm testing is performed and to prepare our residents and as a state requirement. Residents will be made aware of this test prior to the test.

In the event of an emergency, please assume that you will have sole responsibility for your safety and wellbeing. Be prepared to be self-sustaining for a period of 72 hours. The American Red Cross offers information and courses to help you prepare for emergencies.
**Moving Out**

If you have a month-to-month agreement, thirty (30) days prior to moving out/vacating your apartment, submit an [electronic notice of intent to vacate](#) to the Housing Office. For fixed term Rental Agreements there is no need to submit notification of your move out date unless you plan to leave prior to your lease end date.

After this notice is received by the office you will receive an email detailing move out information explaining the process. When you vacate your apartment/room, an inspection will be done to determine cleaning and/or damage charges (if any). You may also request an initial inspection to occur two weeks before move-out with the Housing Office.

Please make sure to follow these steps below to avoid possible charges to your account:

- If you plan to pay your pro-rated rent amount, you will need to make a payment with either cash or a check at the Central Cashier's Office or you can wait one business day after rent has posted and pay the pro-rated amount due online. If you pay more than your pro-rated amount, you will need to email refunds@ucsd.edu to request your overpayment refund, please include your full name and PID in your request.
- If you have an SDG&E account, contact SDG&E at 1-800.411.SDGE to schedule your service to be disconnected or transferred into your roommate's name.
- Remove all of your personal property. This includes all furniture that you may have added to your unit. Any University furnishings must be present at time of your inspection. Do NOT leave bulky items and unwanted furniture items on the property after you move-out. Please make arrangements to donate or dispose of the items properly.
- Ensure that your apartment is clean. You can check out a sparkle bucket with cleaning supplies from the office.
  - Sweep and mop floors
  - Vacuum all carpeted areas
  - Use a mild cleaning solution to clean your bathroom & kitchen areas
    - Focus on mirrors, sinks, counters, cabinets and drawers & empty the refrigerator
  - Remove all trash and place in the proper disposal containers
  - Remove any items from patios and porch areas
- Return the keys and parking permit (s) directly to the Residential Office no later than midnight on your move out date:
  - $6 to replace a key card or bedroom key,
  - $50 for each parking permit not returned.

On the first business day after you vacate the apartment, a Housing representative will inspect your apartment. You have the right to be present at the move out inspection. If you wish to be present, please contact our office.

**A note about elevators and moving out:**

Please do not prop the doors open with a box or your hand. Whenever elevator users physically hold elevators doors open too long, it sends a fault code to the elevator controller and shuts down. If there is a need to hold the door open please make sure the “hold open” button inside the elevator is used. Following these procedures will eliminate unnecessary service calls and elevator down-time.
Graduate and Family Housing Residential Rules

Introduction

At UC San Diego, we believe you will find living on campus is an integral part of your education. As a result of your community living experience, we hope that you will develop a concern and respect for others; make responsible choices and decisions; share your academic, social, and cultural experience with other students; and learn to live peacefully in close quarters with a diverse group of people.

It is important to realize that students living in a group environment affect each other’s lives in many ways. We strongly believe that one’s actions demonstrate one’s commitment to respecting differences. In addition, we will not accept ignorance, humor, anger, alcohol or substance abuse as an excuse, reason, or rationale for behavior. Certain shared responsibilities such as mutual cooperation, inclusion, and respect are integral to any successful group living situation. It also means accepting personal responsibility for how your everyday actions affect others living with you as roommates and neighbors. Establishing a positive and supportive residential environment means each individual must make occasional adjustments in personal habits, attitudes, and beliefs. Successful on-campus living, whether in the residence halls or apartments, means exercising your rights while recognizing your responsibilities in respecting the equally legitimate rights of the other members in your community.

Appeals

The Graduate and Family Housing Advisory Committee reviews discrepancies for graduate and professional students regarding charges to your account, Housing policies and procedures, Rental Agreements, budgets, rates, and levels of service. The committee consists of student representatives residing in UC San Diego graduate Housing communities and staff representatives from the Graduate Division, School of Medicine, School of Pharmacy and Housing.

Residents may submit an electronic request/appeal using the “Appeal Process for Residents” link on the “Current Resident Resources” tab found at hdh.ucsd.edu. Once submitted the Housing Office will review your request. If your request is not granted by the office, it will be forwarded to the Advisory Council for review. You will receive an email from the Advisory Council notifying you of the outcome of the review.
