RESERVATIONS
How do I make a reservation for Guest Housing?  
We accept reservation requests online. A URL link to the online reservation request form will be posted on the Guest Housing webpage during Spring Quarter. We request that you make your reservation at least two (2) weeks prior to your arrival, as housing is based on availability.

What is needed to complete the online registration form?  
An advance payment of one hundred and forty dollars ($140.00) is required for Guest Housing and Check Inn reservation requests. Guest Housing reservation requests are also required to submit contact information, reason for visit and your department host.

What else is required to complete my registration?  
We require all guests to review and sign the “Guest Guidelines”, and complete a “Waiver of Liability” for each occupant in the apartments. For your convenience you may upload the signed documents prior to your arrival. Otherwise, please present the completed and signed forms at check-in.

I need accommodations immediately. What should I do?  
If you are planning a short notice reservation, where the arrival date is less than three (3) business days away, DO NOT make an online reservation request. Instead, please call Hospitality and Conference Services to verify availability at 858.534.4220. We cannot guarantee that short notice reservation requests will be accommodated. Additionally, we DO NOT accept walk-in reservations.

How do I cancel my reservation? Will I get my advance payment back?  
Cancellations must be requested no later than twenty one (21) days prior to arrival, and must be requested in writing via email to: guesthousing@ucsd.edu. Any cancellations after that period will result in the loss of the advance payment. Refunds may take up to thirty (30) days to be processed.

Can I change the dates of stay/arrival/departure?  
Any changes to reservation dates must be requested a minimum three (3) business days prior to arrival date. Please contact Hospitality and Conferences to make changes and inquire about availability. Requests will be granted based on availability.
