

# FAQ UC San Diego acceleRATE Summer Program 2018

## Eligibility, Contract Process / Pre Payment and Early Move-In Session

### Eligibility

Residents currently living on campus during the 2017-18 academic year will be part of the HDH acceleRATE Summer Program designed to help current UC San Diego student's progress towards their degree more affordably. **All summer housing residents must be enrolled in order to be eligible for on campus housing.** The acceleRATE Summer Program does not require a mandatory dining plan and does not include custodial services.

### UC San Diego Internships

If you are participating in an internship where you will receive **credit towards your degree, you will qualify for on campus housing under the acceleRATE Summer Program.**

UC San Diego students participating in **paid internships** with the university **are not eligible for on campus housing.** Please contact Conferences Services at <https://hdh.ucsd.edu/conferences/pages/GuestHousing.html>

### Contract Process & Pre-Payment

**Your housing application will be processed within 3-5 business days after being received by the Summer Housing Team.** After, you will receive an email with the contract link and instructions in order to sign your housing contract. Once your contract has been signed, you will receive another email with the link to submit a prepayment in the amount of \$150.00 via E-check. **This \$150.00 prepayment cannot be paid via your student account on Triton Link**, as there will not be a charge on your student account. Instead, you will be directed to a secure third-party site to make the prepayment. Please make sure that you have the following information ready to make your e-check payment: name of the bank account holder, bank account number, and routing number. **You will have three days from the time that you receive the payment link to submit your prepayment.** Failure to submit your prepayment within the given deadline of three days will result in your application being considered null and void by the Summer Housing Team. If you are having problems with the contracting process, please email the Summer Housing Team at [summerhousing@ucsd.edu](mailto:summerhousing@ucsd.edu) with your name and your PID.

### EARLY MOVE IN SESSION (Pre-Regular Session Summer Housing)

Students currently housed on campus for the 2017-18 academic year are also eligible to contract for the early move-in session: June 17th through June 30th. **Students will be able to select the early move-in option during step 3 of the summer housing application process. Step 3, where the student selects their summer space online, happens after they have completed the contracting & prepayment portion.**

Students will be authorized to stay in their current spaces the evenings of Saturday, June 16th and Sunday June 17th. The first day of your contract begins on Sunday, June 17th; however, **students will not move to their summer space until Monday, June 18th between the hours of 12:00PM and 4:00PM. Students who are unable to move out of their current academic space and move in to their summer allocation during the designated day and timeframe given will not be able to contract for the early move-in session. There will be no exceptions.**

The deadline to apply for the early move-in session is Friday, May 25th.

### Cancellation of the Early Move-In Session ONLY

Students wishing to drop the early move-in session **only** while keeping their regular session may do so **without penalty through June 1st.** Student's dropping early move in session **only** must log into the Summer Housing Portal and clicking on the "Summer Housing Application, Checklist, FAQ, Change and Cancellation Requests link". **Students failing to notify the university that they are no longer contracting for this session by June 1st will be assessed a cancellation fee in the amount of \$150.00.**

Students dropping the early move in session *may be subject to a change in room assignment.*

## Self-Selection Process, Optional Dining Plans, and Priority Deadlines

### Self-Selection Process

As an acceleRATE summer housing applicant you will be able to self-select your summer space. **You cannot pick your summer allocation until after you have fully completed the contract process online** (i.e. electronically sign the housing contract and submit your prepayment). Students who have completed the contract process must pick their space by the below date according to chosen session or a space will be assigned to you.

**Session One (Any session with a move in date of July 1<sup>st</sup>)**  
**Session Two (Any session with a move in date of August 5<sup>th</sup>)**

**Thursday, May 31<sup>st</sup>**  
**Friday, July 20<sup>th</sup>**

Students housed under the acceleRATE Program are unable to request roommates as residents are selecting their own spaces. Students wishing to room with another student will need to communicate with potential roommates in order to see which space (i.e. building, room, suite, etc.) they have selected. Students may then go in to see if a space is available in that room and/or suite. It is highly suggested that **students wishing to room together, apply and complete the contract process around the same time in order to better your chances of picking a summer allocation in the same room and/or suite.**

### Optional Summer Dining Plan

The acceleRATE Summer Housing Program **does not require** a dining plan. We are providing an optional dining plan for students who desire a dining plan for the duration of their summer housing. Please keep in mind when deciding about whether a dining plan is an option for you, that not all dining facilities will be open throughout the summer and their hours of operation will be fluid.

acceleRATE Optional				
Dining Plan	5 WEEK	6 WEEK	8 WEEK	10 WEEK
Triton Blue	\$735.00	\$882.00	\$1,176.00	\$1,470.00

Dining dollars may only be used at [UC San Diego Dining Services](#) locations for the duration of your summer stay. **The dining plan cannot be changed, dropped, refunded, or transferred to Triton Cash.**

## Extended Housing Program, Cancellation Policy, Assurance of Accommodation

### Extended Housing Program (Post Summer Housing / Pre-Academic school year)

Summer students contracted for Summer Housing with a contract end date of Saturday, September 8th, and who will **also be housed on campus for the upcoming 2018/19 academic year**, will have the option to remain on campus through their fall move-in date of Saturday, September 22nd. The Extended Housing Program contract dates are September 9th through September 21st. The application process for Extended Housing **will not take place until the middle of August**. Eligible students will be contacted in the middle of August and asked to sign their Extended Housing Addendum contract.

Students eligible for the program will remain in their allocated summer space from September 9th until September 13th. **Students will move from their summer space on Thursday, September 13th** and move to their permanent space for the academic year the same day. Students will not be authorized to participate in the Extended Housing Program if they cannot adhere to the designated move in date of September 13th. **Students cannot move earlier and cannot move later than September 13<sup>th</sup>. There will be no exceptions.**

### COST

Cost for the Extended Housing Program will be based on your **room only** rate for your summer residence and your fall housing allocation (single, double, or triple). There is no dining plan for the Extended Housing Program as dining facilities will be closed preparing for the upcoming academic year.
