9 Amazing Neighborhoods

ONE GREAT UNIVERSITY

Everything you need to know about living on campus!
**Housing Application and Deadlines**

Living on campus is optional and not required. We hope you choose to live on campus with us!

Only students who have accepted their Offer of Admission may apply for Housing. Information regarding the 2021-2022 Incoming Student Housing Application Process will be available on your Triton Checklist. Please allow 24-48 hours after accepting the Offer of Admission to access your checklist at tritonchecklist.ucsd.edu. Please note that your Housing Application date will have no bearing on Housing assignment placements. Only students who meet the Admissions and Housing Application deadlines will be able to move forward onto the Housing Contract Process.

It is very important to check your Housing status regularly in the Housing Portal. Visit: 
[hdhughousing.ucsd.edu](http://hdhughousing.ucsd.edu) for more information.

**Students who complete the Housing Contract process will be able to submit roommate requests and room type preferences online in mid-July.** Please keep in mind that your potential roommate needs to be from your same College of Registration, and you have to request a double room (2 beds in the bedroom).

**Family Housing** is available in our Grad and Family Housing Communities for students in a committed relationship or who have children. Students can indicate their need for Family Housing through the Housing Application via the Housing Portal. Those that reply “yes” to the Family Housing question will receive an email with more information. If you would like more information, please contact us at housinginfo@ucsd.edu or 858.534.4010.
Room and Board Rates

On-campus Housing is styled to look like a regular Apartment with 2-6 bedrooms and a shared common area with bathrooms and showers in the suite. The main difference between the Residence Hall and Apartment layout is the in-suite kitchen – Residence Halls don’t have a kitchen, but Apartments do!

The rates below include both the Dining Plan and Housing.

Your Housing Contract includes a Dining Plan, good for use at a variety of HDH Dining Services restaurants and markets across campus.

Dining Services locations operate like any other restaurant or market—decide to purchase as much or as little as you need, and pay only for those items. This “a la carte” style of service is designed to provide flexibility, so you’re not charged a flat rate just to walk through the door.

The Dining Plan is linked to your campus ID card, and your entire balance is loaded in the Fall. Dining Dollars are deducted from the students’ balance just as a debit card deducts from a bank account; there is even an Online Card Office to keep track of balances. Dining Dollars are available throughout the entire academic year and into the summer and following Fall quarter if your contract is not terminated early.

Be on the lookout for our Dining Brochure coming out in May (First-Year Students)/June (Transfers) with more information on our program and how to select the Dining Plan that best meets your needs.

Whether your special diet is medically necessitated or a cultural/lifestyle choice, you have access to an on-site Registered Dietitian who will assist you in your daily menu planning needs.

Individuals with medical conditions that require specific dietary accommodations should first contact the Office for Students with Disabilities (OSD) as early as possible at osd.ucsd.edu. Once registered with OSD, our Registered Dietitian will meet with you to set up an individualized plan, assuring your nutritional needs are met.

If you need a Medical Housing Accommodation, it is imperative that you apply for Housing by your deadline AND contact the Office for Students with Disabilities (OSD) immediately. If you have questions about Medically Based Housing Accommodations, please contact our Housing Liaison at 858.534.8567 or housingliaison@ucsd.edu.
