

FAQ UC San Diego Traditional Summer Housing Program 2017

Eligibility, Contract Process/Payment and Dining Plan

Nonresidents (students who are not currently housed on campus), visitors, incoming freshmen and incoming transfer students enrolled at the university in the summer will be housed in the **Traditional Summer Housing Program**. **All summer housing residents** must be enrolled in courses in order to be eligible for on campus housing. The Traditional Summer Program includes your choice of two dining plans in addition to custodial services which includes the cleaning of common areas *only* (laundry facilities, student activity center, kitchen, bathroom and student lounge). Residents are responsible for the cleaning of their private sleeping areas and removal of their trash.

Housing session dates/ rates can be found on the Housing Calendar, Cost and Payment Schedule 2017.

ELI Program (English Language Institute)

International students who are enrolled in English language programs or professional certificate programs through UC Extension will arrange for their on-campus Housing through the [Extension website](#).

If you will be affiliated with the university throughout the summer (i.e. visiting professor, paid internships, UC San Diego alumni) **but not enrolled in courses**, please contact **Conference Services** for assistance to secure Summer Housing: <http://hdh.ucsd.edu/conference>.

Your housing application will be processed within 3-5 days by Housing Administrative Services. After, you will receive an email with the link to submit a prepayment in the amount of \$150.00. To have a valid summer housing contract and be assured of a housing accommodation, students must pay the \$150.00 housing prepayment via E-Check. **This \$150.00 prepayment cannot be paid via your student account on Triton Link**, as there will not be a charge on your student account. Instead, you will be directed to a secure third-party site to make the prepayment. Please make sure that you have the following information ready when you make your e-check payment: name of the bank account holder, bank account number and routing number. Once your payment has been processed, you will receive a final email with the contract link in order to complete your personal history form and sign your housing contract. **You will have three days from the time that you receive the contract link to complete the summer housing contract process.** Failure to complete the contract process within the given deadline of three days will result in your application being considered null and void by the Housing Office. You will be notified via email of your application status. If you are having problems with the contracting process, please email the Summer Housing Team at summerhousing@ucsd.edu with your name and your PID.

If you miss the priority deadline for chosen session, you may still be housed for summer if there is space; however the Summer Allocations Office may not be able to place you in your preferred room space, i.e. single, double or triple nor honor your roommate requests.

Roommate Requests

Students are matched based on their gender and preferences indicated on their Personal History Form. You can request a roommate for summer during the housing contracting process. Please include the name and PID of the student you wish to request as your roommate. Your Summer Housing assignment is determined by your housing application date and room type preference. It is required that both (or all three students) must be of the same gender, and contracted for the same summer housing program and session.

The Summer Allocations Office is unable to guarantee roommate requests, however roommate requests **will be considered** as long as all four of the following guidelines are met:

1. Both students are contracted for the Traditional Summer Housing Program.
2. Both students are allocated a double or triple occupancy space.
3. Both students contract at the same time.
4. Both students are contracting for the same session.

Your room assignment, P.O. Box number, and roommate information **will be available upon move in day when you check in to the ERC Apartments.** Administrative Services **will not know** your room assignment, roommate information, P.O. Box number, etc.

Housing Guarantee/Assurance of Accommodation

Resident shall be assured of accommodations when resident receives a confirmation email from summerhousing@ucsd.edu **after completing the contract process and submitting the \$150.00 prepayment.** Resident's room, roommate assignment and P.O. Box will be issued on move-in day by the ERC Residence Life Office. Housing Administrative Services does not have this information.

Extended Housing Program (After Summer Housing / Pre-Academic School Year)

Summer students contracted for Summer Housing with a contract end date of Saturday, September 9th, and who will **also be housed on campus for the upcoming 2017/18 academic year**, will have the option to remain on campus through their fall move-in date of Saturday, September 23rd. The Extended Housing Program contract dates are September 9th through September 22nd. The application process for Extended Housing **will not take place until the beginning of August**.

Students eligible for the program will remain in their allocated summer space from September 9th until September 15th. **Students will move from their summer space on September 15th** and move to their permanent space for the academic year the same day. **Students will not be authorized to participate in the Extended Housing Program if they cannot adhere to the designated move in date of September 15th. There will be no exceptions.**

Eligible students will be contacted in the middle of August and asked to sign their Extended Housing Addendum contract.
